-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------

I, Clinton Rooney, declare under penalty of perjury, as provided for by the laws of the United States, 28 U.S.C. §1746, as well as the laws of the State of California that the following statements are true:

//

HYDE & SWIGART  
Phoenix, Arizona

- 1 1. I regularly practice before the United States District Court for the Southern  
2 District of California and am familiar with the hourly rates charged by  
3 attorneys who practice in this Court.
- 4 2. I have been licensed to practice law in the State of California for 9 years. A  
5 large part of my practice focuses on consumer related issues and litigation.  
6 These cases include both individual actions as well as complex class actions.
- 7 3. The hourly rate in United States District Court for the Southern District of  
8 California for an attorney with Abbas Kazerounian's experience and expertise  
9 in consumer class action litigation would be in the range of \$435.00 per hour  
10 for complex litigation. Therefore, \$435.00 per hour would be a reasonable and  
11 appropriate hourly rate for Mr. Kazerounian.
- 12 4. I have known Mr. Kazerounian for over a year, and I am familiar with his  
13 legal work, as he and I have similar consumer law practices and both practice  
14 in the United States District Court for the Southern District of California.

15  
16 I declare under penalty of perjury under the laws of the State of California  
17 that the foregoing is true and correct.
